

**How to Register** Determine if you're purchasing an expo, convention and expo, or guest registration package. Expo registration offers attendance at educational sessions on a space-available basis, and does not include attendance at the networking and CEO panel luncheon or breakfasts. The convention and expo registration package includes unrestricted access to workshops and tickets to special events noted in each package. The corresponding column describes what is included in each registration package. The full packages provide registration over the entire course of Staffing World 2005 events. Single day packages and single event tickets may be purchased for shorter stays. Staffing World attendees find the full registration packages to be the most economical.

To register, complete pages one and two. On page two, circle the price of the package you're registering for, note the appropriate price in the payment information section, and include the price of any ticketed program you're purchasing. Submit your forms and payment to ASA.

**Supplementary Event** This event requires a separate registration form. For more information and to register for the Night Out With the Florida Staffing Association, visit [www.staffingtoday.net/fl](http://www.staffingtoday.net/fl).
