

## Managing Unemployment Costs in Uncertain Times

Unemployment is on the rise, which means that unemployment costs for your staffing firm could climb too. Taking the right precautions now can save your company time as well as money.

InterAction Webinars present a wide range of industry topics. Turn on your computer speakers, connect to the Web, and train your entire team—all from the comfort of your own office. This Webinar is presented from 3 to 4 p.m. Eastern time. This Webinar is available to ASA members only. Register today!
